## SYNOPSIS:

"Pippo and Peppino" is a series that shows the conflicts between two Italian gangsters that talk in alleyways – among cats, cops, garbage cans and other urban elements – always trying to solve typical day-to-day problems, like dating, going to the opera, dealing with the "Italian Mama", among others. The beginning of each episode has Peppino complaining, upset, gesticulating tons about some situation, which, at the end of the episode, will get solved by his partner Pippo.

Pippo and Peppino portray the weak and chaotic universe of gangsters, with lots of witty humor in a satiric tone in a nonsensical language, in an un-defined language that makes the series have a universal appeal.
